PROCESSES

Ethanol (distilled from organic wine)

Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked. A certification operation must annually request the continuation of its certification by following the section 205.406 of the NOP.

* If any, products listed as COR Equivalent are Certified in accordance with the terms of the U.S. – Canada Organic Equivalency Arrangement.

The authenticity and validity of this document can be verified on www.ecocert.com.

Issued in L'ISLE JOURDAIN

On: 5 November 2020

Anniversary date

(when the certified operation must submit its annual update)

1st May 2021
